Make Your Bar/Bat Mitzvah More Meaningful
with Jordan River Village

Imagine the life of a sick child: instead of sleepovers, they are in a hospital for treatments; and instead of hanging out with friends they are taking medicine that makes them sick.

But every child deserves to experience the awesomeness of childhood! **Jordan River Village** is Israel's only free overnight camp where sick children can escape the pain and anxiety of living with a serious illness and just be kids.

A Bar & Bat Mitzvah is a celebration that symbolizes your entrance into adulthood and a connection to the Jewish people, Tikkun Olam, and Israel. We hope you will choose to partner with Jordan River Village to help make these connections meaningful and fun!

HOW WE CAN HELP YOU: When you choose Jordan River Village as your mitzvah project, we will provide you with:

- ✧ A profile of a camper so you can learn about their challenges and how life-changing the Village's experience is for them
- ✧ Images, videos and written materials
- ✧ Assistance with planning a visit to see the Village

GIVING: Raise funds for kids at Jordan River Village by:

- ✧ Asking guests to make a donation in lieu of gifts
- ✧ Donating a portion of your gifts
- ✧ Crowd fundraise with your own online fundraising page
- ✧ Hold a community fundraising event - such as a Gaga Tournament, a bake sale, or a performance

These funds can be designated for a specific program or project of your choice at the Village. We can also help you develop a menu of funding opportunities

HANDS-ON PROJECTS: Create meaningful projects such as:

- ✧ Make lanyards to hold name tags for all kids, volunteers, staff and parents
- ✧ Create clay pendants as a thank you for volunteers and gifts for campers
- ✧ Write letters to campers and volunteers
- ✧ The possibilities are endless...

AWARENESS BUILDING: Share the story of Jordan River Village with your community, friends, and family

- ✧ Incorporate this project in your D'var Torah or speech
- ✧ Write an article for your local paper or post on social media
- ✧ Incorporate information about the Village into your event centerpieces

GIVE IN-KIND: The Village accepts donations of new sports equipment, art supplies, electronics, etc.

All shipping and taxes needs to be covered by you

**Jordan River Village is a magical place
in Israel
where kids in wheelchairs can fly,
children without sight can drive horses,
and children who have never spoken can
perform on stage.**
